

The fascinating history of the B2 Hotel and the former Hürlimann Brewery.

From the brewery to the hotel

During an entertaining tour you will learn about the history of the former Hürlimann brewery.

Where was it originally founded? How did it come to be the largest brewery in Switzerland? What was the secret of Hürlimann beer? How did the brewery come to be closed down, and why do you still find Hürlimann history at every turn in the B2 Hotel?

Former brew master Bächtold answers all these questions on his tour.
